The Society, its aims and activities

The Society of Friends of the Fleet Air Arm Museum was formed in 1979 to support and promote the Museum. It does this by raising money to pay for equipment and artefacts and by members working voluntarily in the Museum.

Friends of the Museum are admitted free to the Museum on production of their current Membership Card. They may be accompanied by up to three guests at a reduced entry fee, one guest for Junior members. Friends are also allowed a discount of 10% on personal purchases from the Museum shop.

Please note that the benefits described above are kindly provided at the discretion of the Director of the Museum. They could be withdrawn or modified at any time.

Annual subscriptions are renewable on the anniversary of joining the Society. Any member whose subscription is three months in arrears will automatically be excluded from membership.

Members receive free a quarterly Newsletter containing details of talks, outings and news about the Museum. All members and their families and friends are encouraged to support these activities.

They also receive the 'Jabberwock' magazine twice yearly containing articles about the Fleet Air Arm and Naval Aviation, many of which recount members personal experiences. Articles and items for both the Newsletter and 'Jabberwock' are always welcome.

The Museum seeks volunteers to help in the activities set out below:

1. Maintenance, storage and restoration of Museum exhibits.
2. Museum guides.
3. Recording and storage of donated documents, photographs and other projects required by the Archive department.

The requirement for Volunteers and the activities change from time to time. All information concerning these will be published in the Newsletter.

Members details are held on computer for administration and mailing purposes.
