

AgustaWestland CONFERENCE ROOM

This air conditioned conference room is ideal for small to medium sized meetings and conferences.

Conferences - Meetings

Catering to support meetings of all sizes

This classic wood panelled conference room is available with a full suite of conference hardware including WiFi access.

AgustaWestland is situated within Hall One where the story of Naval aviation is told from its birth in 1909 to the modern day. Nine aircraft are on display including a replica 1911 Short S27; the remains of the first aircraft to have taken part in a Naval battle – the Short 184 built by Westland in 1916; the first helicopter built by Westland – the Dragonfly; and two veterans of the Falklands Conflict – a Sea King flown by HRH Prince Andrew; and a formidable Sea Harrier.

During coffee and break-out sessions, delegates are welcome to walk among the exhibits.
