

The Museum's largest functions room is situated immediately outside the Museum, adjoining the Museum's Swordfish Restaurant.

Conferences - Parties - Trade Shows

It has its own vehicular and pedestrian access and is a practical, accessible self-contained, purpose-built building, allowing it to be themed and tailored to the needs of each individual client.

The Swordfish Centre has its own bar area, toilet facilities, dance floor and a retractable stage making it ideally suited for larger meetings, conferences and trade shows, auctions, wedding receptions and parties.

The Swordfish Centre being used for a large trade show

Retractable stage and dance floor ideal for private parties
