Warnefords takes its name from Flight Sub Lieutenant Reginald AJ Warneford who was awarded the highest military honour, the Victoria Cross, for outstanding bravery in 1915. His VC medal and other exhibits relating to Rex Warneford can be seen on entering the function room.

This atmospheric function room is decorated with propellers and photographs representing the WW1 era. It has an integral (screened off) catering servery / bar and can be used as a separate conference area or as a dining area or 'break-out' room for delegates meeting in the AgustaWestland Conference Room.
